

The image features a highly decorative white border on a black background. The border is composed of intricate, symmetrical scrollwork and floral motifs. At the top, there is a central crest-like element with a crown-like top, flanked by large, flowing scrolls. The sides of the border are also adorned with similar scrollwork, and the bottom features a wide, scalloped base with large, ornate flourishes. The overall style is reminiscent of classical or baroque decorative arts.
